

J.R. Salazar

General Manager- Chief Executive Officer
Central Texas Rural Transit District

jrs@cityandruralrides.com

325-280-7051

I have been the General Manager-CEO for Central Texas Rural Transit District for about 22 years. Our District – City And Rural Rides has grown to 11 counties in West Central Texas, and currently employs 65 staff.

I have seen many changes in the transit industry with new technology and challenges at every corner. Although, 2020 was hard on everyone, I feel strongly that it did bring to the forefront the Importance of Public Transit throughout our Country.

I am dedicated to promoting rural transit systems in Texas, and have served on the Texas Department of Transportation Public Transportation Advisory Committee for 13 years. CTRTD – City And Rural Rides has been a member of the Texas Transit Association for over 25 years, and I have served on the TTA Board of Directors for over 10 years.
