

## Sean Scott

Alamo Regional Transit (AACOG)

[sscott@aacog.com](mailto:sscott@aacog.com)

The primary reason I want to serve on the TTA board is to contribute and serve an organization and industry that has impacted my life for the last 20 years. Historically I have benefited from TTA and its mission, I now want to bring my talents to the table. For me, that's my knowledge of public perceptions about transit, trend data, marketing, and training. I feel the more I grow and get involved, the more can give back to transit.

Alamo Regional Transit became a member of TTA October 9th, 2020.
