Wendy Weedon started with Brazos Transit District, BTD, as the Marketing Director, and throughout her 13 years of service, has worked her way up and is now serving as Deputy CEO/General Manager. New to the industry in 2008, Wendy found an immediate dedication to the public transportation industry. She has served in various aspects of the organization during her tenure facilitating services and leadership in the very large 16 county service area for BTD. As Deputy CEO/General Manager, Wendy is responsible for the strategic vision, growth and overall performance at Brazos Transit District (BTD). A new found focus for Wendy is getting involved in the political aspects of the public transportation world, this is one of the many reasons she is running for a seat on the TTA board of directors.
