In the event of default by the Firm, the City shall have the right to terminate the Agreement for cause, by written notice effective ten (10) calendar days, unless otherwise specified, after the date of such notice, unless the Firm, within such ten (10) day period cures such default, or provides evidence sufficient to prove to the City’s satisfaction that such default does not, in fact,

exist. In addition to any other remedies available under law or in equity, the City shall be entitled to recover all actual damages, costs, losses and expenses incurred by the City as a result of the Firm's default, including without limitation, cost of cover, reasonable attorneys' fees, court costs and prejudgment and post-judgment interest at the maximum lawful rate. Additionally, in the event of default by the Firm, the City may remove the Firm from the City's Vendor List and any Offer submitted by the Firm may be disqualified for up to three (3) years. All rights and remedies under the Agreement are cumulative and not exclusive of any other right or remedy provided by law.

2. Termination Without Cause:

The City shall have the right to terminate the Agreement, in whole or in part, without cause any time upon thirty (30) calendar days' prior written notice. Upon receipt of a notice of termination, the Firm shall promptly cease all further work pursuant to the Agreement, with such exceptions, if any, specified in the notice of termination. The City shall pay the Firm, to the extent of funds appropriated or otherwise legally available for such purposes, for all products actually delivered and obligations incurred prior to the date of termination in accordance with the terms hereof.

None of the terms or provisions of the specification shall be construed as waiving any rules, regulations or requirements of these authorities. Firm shall be responsible for obtaining all necessary permits, certificates and/or licenses to fulfill contractual obligations to the City.

H. COLLUSION

Advanced disclosures of any information to any particular Respondent which gives that particular Respondent any advantage over any other interested Respondent in advance of the opening of bids, whether in response to advertising or an informal request for proposals, made or permitted by a member of the governing body or an employee or representative thereof, will cause to void all responses to that particular solicitation or request.

I. COMMUNICATION

To insure the proper and fair evaluation of this Proposal, the City prohibits ex parte communication (e.g., unsolicited) initiated by the Respondent to the City Official or Employee evaluating or considering the Responses prior to the time an award has been made. Communication between Respondents and the City will be initiated by the appropriate City Official or Employee in order to obtain information or clarification needed to develop a proper and accurate evaluation of the Proposal(s). Ex parte communication may be grounds for disqualifying the offending Respondent from consideration or award, or any future Solicitation.

Unless otherwise specified, all requests for clarification or questions regarding a Solicitation must be directed as provided herein.

J. CONFIDENTIALITY

In order to provide the deliverables to the City, Firm may require access to certain of the City's and/or its licensors' confidential information (including, but not limited to, inventions, employee information, trade secrets, confidential know-how, confidential business information and other information which the City or its licensors consider confidential) (collectively, "Confidential Information"). Firm acknowledges and agrees that the Confidential Information is the valuable property of the City and/or its licensors, and any unauthorized use, disclosure, dissemination or other release of the Confidential Information will substantially injure the City and/or its licensors. The Firm (including its employees, subcontractors, agents or representatives) agrees that it will maintain the Confidential Information in strict confidence and shall not disclose, disseminate, copy, divulge, recreate or otherwise use the Confidential Information without the prior written consent of the City, or in a manner not expressly permitted under this Agreement, unless the Confidential Information is required to be disclosed by law or as a result of an order of any court or other governmental authority with proper jurisdiction, provided the Firm promptly notifies the City prior to disclosing such information so as to permit the City reasonable time to seek an appropriate protective order. The Firm agrees to use protective measures no less stringent than the Firm uses within its own business to protect its own most valuable information, which protective measures shall under all circumstances be at least reasonable measures to ensure the continued confidentiality of the Confidential Information.

K. DEFAULT

Firm shall be in default under the Agreement if the Firm (a) fails to fully, timely and faithfully perform any of its material obligations under the Agreement, (b) fails to fully, timely and faithfully perform any of its material obligations under any agreement Firm has with the City, (c) fails to timely pay any fees or taxes owed to the City, (d) becomes insolvent or seeks relief under the bankruptcy laws of the United States, or (e) makes a material misrepresentation in Respondent's Proposal, or in any report or deliverable required to be submitted by Firm to the City.

A Firm who abandons or defaults the work on the Agreement and causes the City to purchase the products elsewhere may be charged the difference in cost of products, if any, and may not be considered in the re-advertisement of the service and may be rejected as an irresponsible bidder and not considered in future Solicitations for the same type of commodity unless the scope of work is significantly modified.

L. DELAYS

The City may delay scheduled deliveries or other due dates by written notice to the Firm if the City deems it is in its best interest. If such delay causes an increase in the cost of the work under the Agreement, the City and the Firm shall negotiate an equitable adjustment for costs incurred by the

Firm in the Agreement price and execute an amendment to the Agreement. The Firm must assert its right to an adjustment within ten (10) calendar days from the date of receipt of the notice of delay. Failure to agree on any adjusted price shall be handled under the Dispute Resolution Process specified herein. However, nothing in this provision shall excuse the Firm from delaying the deliveries as notified.

M. DISCLOSURE

At the due date and time there will be no disclosure of contents of any Proposal to competing Proposers, and all Proposals will be kept confidential during the negotiation process. Except for trade secrets and confidential information which the Firm identifies as proprietary, all Proposals will be open for public inspection after the contract award.

N. DISCLOSURE OF PENDING LITIGATION:

Each Respondent shall include in its proposal a complete disclosure of any material civil or criminal litigation or pending investigation which involves the Respondent or in which the Respondent has been judged guilty.

O. DISPUTE RESOLUTION

If either the Firm or the City has a claim, dispute or other matter in question for breach of duty, obligations, services rendered or any warranty that arises under this Agreement, the parties shall first attempt to resolve the matter through this dispute resolution process. The disputing party shall notify the other party in writing as soon as practicable after discovering the claim, dispute or breach. The notice shall state the nature of the dispute and list the party's specific reasons for such dispute. Within ten (10) business days of receipt of the notice, both parties shall make a good faith effort, in person or through generally accepted means, to resolve any claim, dispute, breach or other matter in question that may arise out of, or in connection with, this Agreement. If the parties fail to resolve the dispute within sixty (60) days of the date of receipt of the notice of the dispute, then the parties may submit the matter to non-binding mediation upon written consent of authorized representatives of both parties in accordance with the Arbitration Rules of the American Arbitration Association or other applicable rules governing mediation then in effect. If the parties cannot resolve the dispute through mediation, then either party shall have the right to exercise any and all remedies available under law regarding the dispute.

P. FORCE MAJEURE

Neither party shall be liable for any default or delay in the performance of its obligations under this Agreement if, while and to the extent such default or delay is caused by acts of God, fire, riots, civil commotion, labor disruptions, sabotage, sovereign conduct, or any other cause beyond reasonable control. In the event of default or delay in performance due to any of the foregoing causes, then the time for completion of the services will be extended; provided, however, in such an event, a conference will be held within three (3) business days to establish a mutually agreeable period of time reasonably necessary to overcome the effect of such failure to perform.

Q. FRAUD

Fraudulent statements by the Respondent in the Proposal or in any report or deliverable required to be submitted by the Firm to the City shall be grounds for termination of the Agreement for cause by the City and may result in legal action.

R. GRATUITIES

The City may, by written notice to the Firm, cancel the Agreement without liability if it is determined by the City that gratuities were offered or given by the Firm or any agent or representative of the

Firm to any officer or employee of the City with the intent of securing the Agreement or securing favorable treatment with respect to awarding or amending or the making of any determinations with respect to performance of the Agreement. In the event the Agreement is canceled by the City pursuant to this Section, the City shall be entitled, in addition to any other rights and remedies, to recover the benefits or payments to the Firm, as a result of the gratuities.

S. INDEPENDENT CONTRACTOR

Nothing in this Request for Proposal is intended to be construed as creating an employer/employee relationship, a partnership or joint venture. The Firm's services shall be those of an independent contractor. The Firm agrees and understands that the Agreement does not grant any rights or privileges established for employees of the City. Firm shall not be within protection or coverage of the City's Worker Compensation Insurance, Health Insurance, Liability Insurance or any other insurance that the City, from time to time, may have in force.

T. INDEMNITY

FIRM SHALL INDEMNIFY, HOLD HARMLESS, AND DEFEND THE CITY, ITS OFFICERS, AGENTS, AND EMPLOYEES FROM AND AGAINST ANY AND ALL CLAIMS, LOSSES, DAMAGES, CAUSES OF ACTION, SUITS, AND LIABILITY OF EVERY KIND, INCLUDING ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEY'S FEES, FOR INJURY TO OR DEATH OF ANY PERSON OR FOR DAMAGE TO ANY PROPERTY ARISING OUT OF OR IN CONNECTION WITH THE WORK DONE BY THE CONTRACTOR UNDER THIS CONTRACT. SUCH INDEMNITY SHALL APPLY REGARDLESS OF WHETHER THE CLAIMS, LOSSES, DAMAGES, CAUSES OF ACTION, SUITS, OR LIABILITY ARISE IN WHOLE OR IN PART FROM THE NEGLIGENCE OF THE CITY, ANY OTHER PARTY INDEMNIFIED HEREUNDER, THE CONTRACTOR, OR ANY THIRD PARTY.

U. INFRINGEMENT

Firm represents and warrants to the City that: (a) Firm shall provide the City good and indefeasible title to the deliverables and (b) the deliverables supplied by the Firm in accordance with the specifications of the Agreement shall not infringe, directly or contributory, any patent, trademark, copyright, trade secret or any other intellectual property right of any kind of any third party; that no claims have been made by an person or entity with respect to the ownership or operation of the deliverables and the Firm does not know of any basis for any such claims. Firm shall, at its sole expense, defend, indemnify and hold the City harmless from and against all liability, damages and costs (including court costs and reasonable fees of attorneys and other professionals) arising out of or resulting from: (a) any claim that the City exercises anywhere in the world of the rights associated with the City's ownership, and if applicable, license rights, and its use of the deliverable infringes the intellectual property rights of any third party; or (b) Firm's breach of any of the Firm's representations or warranties stated in this Agreement. In the event of any such claim, the City shall have the right to monitor such claim or, at its option, engage its own separate counsel to act as co-counsel on the City's behalf. Further, Firm agrees that the City's specifications regarding the deliverables shall in no way diminish Firm's warranties or obligations under this Paragraph, and the City makes no warranty that the products, development or delivery of such deliverables will not impact such warranties of Firm.

V. INSURANCE REQUIREMENTS

Upon request, Firm shall provide a copy of its insurance policies to the City.

W. INTERLOCAL AGREEMENT

Other governmental entities may be extended the opportunity to purchase from Solicitations awarded by the City, with the consent and agreement of the successful Firm(s) and the City. Such

consent and agreement shall be conclusively inferred from lack of exception to this clause in Firm's Response. However, all parties indicate their understanding and all parties hereby expressly agree that the City is not an agent of, partner to or representative of those outside agencies or entities and that the City is not obligated or liable for any action or debts that arise out of such independently negotiated piggyback procurements.

X. INTERPRETATION

The Agreement is intended by both parties as the final, complete and exclusive statement of the terms of their Agreement. No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Agreement. Although the Agreement may have been substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner fair to both parties, reading no provision more strictly against one party of the other. Whenever a term defined by the Uniform Commercial Code (the "UCC"), as enacted by the State of Texas, is used in the Agreement, the UCC definition shall control unless otherwise defined in the Agreement.

Y. INVALIDITY

The invalidity, illegality or unenforceability of any provision of the Agreement shall in no way affect the validity or enforceability of any other portion or provision of the Agreement. Any void provision shall be deemed severed from the Agreement and the balance of the Agreement shall be construed and enforced as if the Agreement did not contain the particular portion or provision held to be void. The parties further agree to reform the Agreement to replace the stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this section shall not prevent the entire Agreement from being void should a provision which is the essence of the Agreement be determined to be void.

Z. LIABILITY

Any person, firm or corporation party to the Agreement shall be liable for all damages incurred while in the performance of the Agreement. Firm assumes full responsibility for the terms contained herein and hereby releases, relinquishes, and discharges the City, its officers, agents and employees from all claims, demands and causes of action of any nature including the cost of defense thereof, for any injury to, including death of, any person whether that person be a third party, supplier or an employee of either of the parties hereto, and any loss of or damage to property, whether the same be that of either of the parties, caused by or alleged to have been caused by, arising out of or in connection with the issuance of the Agreement to the Firm and the negligence of the Firm, whether or not said claims, demands and causes of action in whole or in part are covered by insurance. Certificates of insurance may be required for, but not limited to, Commercial General Liability, Business Auto Liability, Workers Compensation and Professional Liability Insurance.

AA. LIENS

Firm shall defend, indemnify and hold the City harmless from and against any and all liens and encumbrances for all products delivered under this Agreement. At the City's request, the Firm or its subcontractors shall provide a proper release of all liens or satisfactory evidence of freedom from liens shall be delivered to the City.

BB. MANAGEMENT

Should there be a change in ownership or management, the Agreement may be canceled unless a mutual Agreement is reached with the new owner to continue the Agreement with its present terms, conditions and pricing. The Agreement is nontransferable by either party.

CC. NOTICES

Unless otherwise specified, all notices, requests or other communications required or appropriate to be given under the Agreement shall be in writing and deemed delivered three (3) business days after postmarked if sent by US Postal Service Certified or Registered Mail, Return Receipt Requested.
